Dart Service Bulletin Number: **DSB-D212-725-5**

**Purpose:** To provide an alternate altimeter for customers who require an altimeter to read in millibars rather than inches of mercury

**Eligible Serial Numbers:** All

**Compliance:** Optional

**Description:** It is acceptable to install a part number 5237AM-A.908 altimeter in place of the part number 5237A-A.906 altimeter that is installed standard as part of the Eagle Single Conversion.

Compliance with this DSB has no effect on aircraft weight and balance.
